Hall & Riverside Breweries,  
Derbyshire, United Kingdom

Two sites and two levels of technology. Our Hall brewery highlights the traditional infusion mash ale system whereas the contemporary Riverside brewery highlights our ability to innovate through technology. The Hall is about experimentation and barrel-aging and creation. Riverside is innovation, allowing us to attain perfection through fantastic brewing, quality control and packaging of the beer.

**July 15, 2010 Stefano Cossi was named UK Brewer of the Year** at the All-Party Parliamentary Beer Group annual dinner in London. The award is recommended by the Institute of Brewing and Distilling and is an incredible accolade for the brewery, highlighting the work that Stefano has led with the development of the new Riverside Brewery.

## KIPLING SOUTH PACIFIC PALE ALE

Kipling is a golden beer with an exquisite passionfruit, gooseberry and mango aroma.

It is heavily infused with the fantastic Nelson Sauvin hop from New Zealand, that imparts tropical fruit like flavors. Thornbridge were the first U.K. brewery to use this hop.

The beer's initial sweetness and medium body are balanced by a lasting grapefruit-like bitter finish.

5.2% alc./vol. - 1050 OG - 50 IBU

**Malts:**

Maris Otter Pale Ale, Munich, Torrified Wheat

**Hop:** Nelson Sauvin from New Zealand

**Formats:**

12 \* 16.9oz bottles & kegs / casks

**EAN-code:** 5 013414 999018

**AWARDS:**

Kipling has won a series of awards. It's great to see that no matter what form the beer is in, whether it be with a bit of fizz in a bottle or as traditional ale from the cask, it's appealed to the judges.
