

BIRRIFICIO DEL
DUCATO

**Agrumi
Ribelli**

Italian Blanche

BIRRIFICIO DEL DUCATO S.R.L.
Soragna(PR) - Emilia Romagna - Italia

Celebrating the heritage of Birrificio Del Ducato as well as its home town, the **City of Parma**, which has risen to become the **most food spectacular city in all of Italy**. A revolution in bragging rights as you can imagine: Parma is tiny relative to all major "pompous" Italian cities.

We call it "**Agrumi Ribelli**", our "**rebellious citrus fruit wit**".

It features grapefruit pulp, lemon peel, orange peel, bitter orange peel, bergamot peel, coriander at an amazingly low 4.0% alc/vol.

A delicate balance of citrus fruitiness and spiciness ending in a dry finish.

A wonderful companion with fish and seafood if prepared the truly authentic Italian way.

4% Alc./vol.
