Birrificio Baladin

Piozzo, Piemonte, Italy

Our search for the world's most unique beers has brought us to Piozzo, right outside of Torino, Italy. In this village of 1,000 inhabitants, directly across from the town hall, lies Le Baladin, an extremely unusual brewpub and microbrewery. "Baladin" is a French term referring to a "traveling minstrel." The owner, Teo Musso, thought that this would be a fitting name for his brewery as the townspeople are known for moving around, especially between Italy and France. Upon visiting the brewery and meeting Teo, one finds that he is a very entertaining minstrel and has, thus, chosen the perfect name for his place.

Teo studied at some of the best small breweries throughout Europe in order to learn his craft. He has worked most closely with another eccentric B. United International supplier, Jean-Louis Dits of Brasserie a Vapeur. Like Jean-Louis, Teo loves experimentation and never works by the books.

PURE MALT ALES

LEÖN

DARK ALE - 9% alc./vol.

Dark, with a good head, Leön mesmerizes with its explosion of scents and aromas which evoke a festive atmosphere, full of cuddles and lazy times.

Originally created as a Christmas ale, its chocolate notes mixed with the aromas of dried fruit, licorice and toffee are unforgettable.

HOPPY ALES

SUPER FLOREALE

DRY HOPPED ITALIAN TRIPLEL - 8% alc./vol.

Super Floreale undoubtedly follows the current trend of bitter beers, but without taking it too far! Super Floreale has plenty of hop character - given by the generous use of American "Amarillo" hops - but it remains true to its Baladin identity and strikes a perfect balance with notes of caramel, dried fruit (just a hint) and the bitterness of the hops.

BIRRA NAZIONALE

FIRST 100% ITALIAN BEER - 6.5% alc./vol.

Nazionale is the result of a search that started a few years ago at Birreria Le Baladin to create an artisanal beer made with 100% Italian ingredients. This quest led the brewery to collaborating with grain farmers throughout the country and helping to establish some of the first hop farms in the Mediterranean country. Thanks to the cooperation with the Agricultural Institute of Cussanio, and "Tecnograndia" in Cuneo, Baladin Nazionale is the FIRST 100% ITALIAN BEER obtained solely from Italian raw materials.

The barley is grown and malted in Basilicata, in southern Italy. The hops used, Cascade and Magnum, are 80% produced in an experimental field in the town of Cussanio, in Piedmont and the remaining 20% are from Emilia-Romagna.

While the spices used in the recipe, Bergamot peel and Coriander hail from the southern Italian region of Calabria. Nazionale is a delicate and accessible beer where the ingredients meet in a harmonious and original way, giving life to what, for us, is the first true "100% Italian ALE" in name, intent and fact!

Nazionale is excellent as an aperitif and goes well with nearly any dish. Salute!

Only Produced every 2 years! Still, uncarbonated barleywine style ales aged in wine barrels of the highest pedigree, then blended for optimal aroma, and flavor complexity. Reminiscent of desert wines, ideally served as a digestif or an accompaniment to a fine desert.

XYAUYÙ FUMÉ

14% alc./vol.

Dark ruby red color, clear, flat and with no head. Its peaty scents and malty notes - typical of whisky - are well balanced on a strong and warm body, which opens to caramel notes in the finish.

When you sip it, the caramel and smoky notes coming from the aging barrels blend harmoniously and persist in the final, after a brief appearance of hints of ripe fruit.

Baladin **XYAUYÙ FUMÉ**
2 x 16.9 OZ./ 500 ML bottles

XYAUYÙ KIOKE

14% alc./vol.

Xyauyù Kioke has a deep ruby, clear color and has no head. Its scents include subtle notes of cypress berries, dates and caramel, with a faint hint of incense. When sipped, the woody and fresh notes of cypress combine wonderfully with delicate resinous touches and a hint of umami.

The finish is vaguely herbaceous, bitter and acidic.

XYAUYÙ BARREL

14% alc./vol.

Xyauyù Barrel has a deep ruby, clear color and has no head. Its scents are reminiscent of vanilla and caramel, and are accompanied by smooth notes of wood, raisins and almonds. While sipping it, the tastes of caramel, vanilla and fruit in syrup emerge. They blend harmoniously with the typical warmth of this barley wine with surprising notes of the best rums, in whose disused barrels Xyayù Barrel is aged.

XYAUYÙ 2014

14% alc./vol.

A macro-oxidized beer with a clear, ruby color and no head. Its scent releases fruity notes of dry plums and caramel notes. As Xyauyù gets more and more in contact with oxygen, the smell of chocolate intensifies and blends with the other aromas to create a mix of nougat, nuts and wood.

The taste is very complex and surprising: a unique product that evolves on notes of caramel, chocolate, vanilla and wood, creating an unstoppable kaleidoscope of feelings and emotions.

Baladin **XYAUYÙ 2014**

Baladin METODO CLASSICO

BIÈRE DE CHAMPAGNE – BRUT BIÈRE

10% alc./vol.

Its slightly hazy light amber color and its white head are the prelude to a very special beer- Delicate scents of fruit and cereals are accompanied by notes of caramel and subtle hints of citrus fruits.

The taste confirms the very rich but balanced scents. The warm component and the exuberant fizziness help to appreciate the full value of this beer, which might appear to be a little sweet at first sip.

SIDRO/ CIDER

BALADIN CIDER / SIDRO BALADIN

APPLE CIDER

5% alc./vol.

A drink linked to the earth, to tradition and the quintessential biblical fruit, the fruit of sin... A combination between the French-Belgian tradition and the typical apple juice of Piedmont, our cider is the product of the spontaneous fermentation of apples. Baladin's cider is produced in collaboration with our French friends from Cidrerie Maeyaert.

Fresh and genuine, its color is clear and with a fine perlage. It smells of flowers and spring meadows, and leaves a delicate and persistent taste. Excellent as an aperitif, ideal for informal meetings and romantic dates.

BALADIN COLA

THE FIRST FAIR TRADE COLA!

“Cola Baladin” is a soft drink which contains no coloring or preservative and is produced with the kola nuts bought from the “Kola Slow Food Presidium” in Sierra Leone, and part of the revenues from its sales will be donated to the Slow Food Foundation for Biodiversity to support the Presidium project.

Another important and rather odd thing about this drink: the use of these nuts, and the necessary choice not to use artificial colorings, means that this new Baladin drink has a rather “unusual” color for a cola: IT’S RED! This red color sets it apart from more “commercial” products and makes it immediately clear that our intent is not only to make a profit: our drink is also a sign to show consumers that it often takes very little to play our part in supporting those who cannot even support themselves. Sierra Leone is one of the unfortunately too many African countries tormented by both political and economic wars and fights. Ours may be a niche production, but we believe it will help us give the word SUSTAINABLY its full and important meaning.

SPUMA NERA

CHINOTTO SODA

Spuma Nera, or “dark Spuma” as it was once called, may be considered the “mother” of chinotto.

We have chosen to go back to the traditional recipe: citrus myrtifolia, the red part of rhubarb roots, vanilla and an orange zest infusion.

Of course, no artificial coloring or preservatives are added.

BALADIN SOFT DRINKS

BALADIN GINGER

BITTER ORANGE CITRUS SODA.
THIS IS NOT A GINGER ALE!

It is named after Ginger Rogers, the iconic redhead Hollywood star.

No ginger is used in this recipe!

Its ingredients are simply water, natural brown sugar, lemon juice, carbonation and the unmistakable infusion of herbs, zests of bitter and sweet oranges from Gargano PGI, spices and vanilla which give the drink its distinctive aroma and flavor.

TONICA AL FIENO

HAY TONIC WATER with SPRING HAY FROM THE ITALIAN ALPS

Inspired by classic Indian tonic water, it is characterized by flowery and herbaceous notes given by the skillfully measured use of spring hay - the one that is cut first and is the most fragrant – from the Alps around Cuneo. The quinine bitterness pleasantly rounds off the balanced taste, which makes this tonic water perfect as a refreshing and thirst-quenching drink.

CEDRATA

AROMATIC LEMON CITRUS SODA

A journey searching for the taste of times gone by. A taste that our memory has registered but has been hiding for a very long time. This is Cedrata Baladin.

Just water, natural brown sugar, lemon juice, carbon dioxide and the infusion of Calabria citrons from Diamante, which give it all its aroma and flavor. Cedrata Baladin is produced with simple and selected ingredients and contains no colorings or preservatives.

MELA ZEN

A REALLY “ZEN” DRINK

With his soft drinks, such as Cola, Teo has managed to refine and modernize “good old” tastes, interpreting them in a very innovative way. But it is Mela Zen that truly marks the beginning of pure experimentation. This is a small batch drink, made with the clear intention to get in contact with those who drink it to create a new taste together.

The recipe contains apples and ginger, two excellent products of farming. Fresh, tasty, intriguing... Let’s discover it together.
