

## New: Classic Lager styles from Czech Republic

Únětický pivovar a.s.  
Rýznerova 19, 252 62 Únětice

Únětický beers are built on the long history and tradition of Únětice Brewery dating back to 1710. In 2010 Únětice Brewery was revived by Štěpán and Lucie Tkadlec, and is now a small but strong regional brewery.

### Únětický 12° Classic Bohemian Lager

Únětický 12° is a classic full-bodied Bohemian lager, unpasteurised, unfiltered. Only highest quality Czech malt from historic Malthouse Kounice (Est. 1590) and local hops from the Žatec area are used. Únětický 12° is brewed the classical way typical for Pilsener style by double decoction, fermented in open fermentation tanks and matured in lager tanks in the historic cellar for at least 20 days.
